

Flooring Maintenance

Trident Industry / LVT Product Category

LVT (3.0mm / 20 mil)

July 2022

Trident Industry's Luxury Vinyl Plank flooring will provide years of low maintenance. Our durable protective finish, and moisture resistance will allow for easy care – keeping your floor looking new for years to come.

IN ORDER TO KEEP YOUR LVT CLEAN AND BEUTUFUL:

- For everyday maintenance, use damp mop – avoid flooding the floor.
- Vacuum or Sweep floor with soft bristle broom to remove dirt.
- Use “No-Rinse” non-abrasive floor cleaner.
- Do not use soap base detergents, or abrasive cleaner.
- Do not use bleaches for cleaning.
- Use large surface, non-staining floor protector for heavy furniture.
- Avoid latex or rubber mats that may stain to the floor.
- Avoid after-market coating that cause structural damage to the floor, such as cupping and staining – such will void product warranty.

IN CASES WITH STAINS AND SPILLS:

- For Stains and Spills such as (Acid, Blood, Alkalis, Ketchup, Mustard, Cleaners, Dye, Grass, Iodine, Mercurochrome, Rust, Urine, and Excrement):
 - Use the following remedy: (full-strength vinyl cleaner, isopropyl alcohol, 10 to 1 diluted liquid bleach, or lemon juice).
- For Paint and Solvent Spills such as (Nail Polish, Wood Varnish, Latex Paint/Lacquer, and Dry-Cleaning Solution):
 - Try to gently peel it from floor without using sharp objects that may scratch the floor.
 - Rub lightly using mineral spirits or vinyl cleaner.
 - In case of Nail Polish Spill, use nail polish remover.
- In Cases with hard to wipe substances such as (Chewing Gum, Candle Wax, Tar, and Adhesive):
 - Carefully remove with fingernail or dull edge.
 - Rubbing it with isopropyl alcohol, mineral spirits or vinyl cleaner my help with the process.
- For Scuffs and Smudges:
 - Carefully remove with fingernail or dull edge.
 - Rubbing it with isopropyl alcohol, mineral spirits or vinyl cleaner my help with the process.

*Always rinse the affected area with clean water after treatment.
